

EQUIPMENT BREAKDOWN COVERAGE NOTICE

This notice contains a brief synopsis of the significant broadenings, restrictions and clarifications of coverage that were made to your policy and endorsements. It does not reference editorial changes that were made for clarity and readability if there was no change in coverage intent.

You should read your policy and its endorsements carefully. If there is any conflict between the policy terms and this notice, **THE PROVISIONS OF THE POLICY SHALL PREVAIL.**

Payment of your premium means acceptance of the new terms of the policy.

PLEASE READ YOUR POLICY CAREFULLY

To Policyholders:

With this renewal of your policy, the **Equipment Breakdown Coverage** endorsement (**HG 4900**) has been added to provide replacement cost coverage for accidental mechanical or electrical breakdown to covered property, such as a heating/air-conditioning system, or other mechanical equipment in your residence dwelling. We believe this new coverage is a valuable addition to your policy and that the premium charge (shown on the Declarations) is very reasonable. Your agent will be able to assist you if you have any questions regarding this coverage.

If you do not want Equipment Breakdown Coverage added to your policy please complete the Rejection of Equipment Breakdown Coverage, below, and return this form to your agent or the company, as we want you to be satisfied with the coverage provided by your policy.

REJECTION OF EQUIPMENT BREAKDOWN COVERAGE

I (We) do not desire Equipment Breakdown Coverage and hereby waive any right to such coverage, under this policy or any future policy unless I (we) request such coverage, in writing, at some future date.

I have read and understood this agreement.
